Provisions – Make sure you have everything you need for the day: medication, glasses, mobility aids, handbag, keys, etc. Bring enough medication for a full day, allowing for possible delays. Layer clothing to avoid getting too cold or over-warm in air-conditioned vehicles and venues. Bring a bottle of water, a cushion, anything which will make your day more enjoyable.

Food – For Diabetics and people with special dietary requirements – please bring your necessities. Remember to pack adequate supplies in case delays occur.

Activity Rating – Only book for Social Outings that you can easily manage. Activity Ratings: **Low** — predominantly passive activity (e.g. restaurant, concert, bus tour); **Light** — a small amount of walking and possibly some stairs (e.g. township visit with optional shopping); **Moderate** — more walking required, stairs and/or escalators (e.g. shopping centre visit, gardens tour).

Waiver – Our Social Outings are prepared in advance and information is correct at time of publishing. However, owing to circumstances beyond our control, some outings may differ from what is advertised, or need to be cancelled (e.g. change of meal or entry costs, venue availability, inclement weather).
